1. Investment in a Terra LP is redeemable or RRSP eligible in 2019. Investors have the option to redeem their shares and reinvest in a new Terra LP or transfer their shares to their RRSP. 2. A reinvestment or transfer to an RRSP is subject to capital gains tax, which can be eliminated if capital losses are available. The assumed fair market value is \$750 on reinvestment or transfer to an RRSP. 3. With investment, your Net Cost capital is at risk. Actual tax savings will vary. Tax rates are subject to change. Investors should read the offering memorandum and consult an investment professional or tax advisor before making an investment decision. Last update: February 8, 2018
